Dear Community Member:

There are many ways of being a library friend, but just one way to be a Friend of the Library Association of Warehouse Point—that is to join the organization and make a dues contribution. Rates are very modest, with special membership levels for students and seniors. Some generous members of our community make an extra gift with their membership to help the work of the Friends. A smaller number also give of their time to serve as officers of the organization and actively participate in meetings, help with our on-going book sale, and “Walk of Names” brick sales.

The Friends provide extra financial support for the library. Through book sales and various other fund-raising activities, the Friends enhance funding for programs and contribute to the purchase of books, museum passes, magazines and equipment. In the past, we have helped to enlarge the library’s collection of videos, large print books, and video display stands. The Friends of the Library Association of Warehouse Point are pleased to donate Museum Passes, which you can check out to get free or discounted access to a variety of area museums and attractions.

We are fortunate to enjoy a national tradition of free public library service. We invite you to help enhance and perpetuate this wonderful community asset. Be a friend and become a Friend! In order to continue these services we would appreciate your considering a donation. Please complete the membership form and return it with your (100% tax deductible) check made payable to: Friends of the Warehouse Point Library.

Go GREEN and join our electronic newsletter email us to join: friends.warehousepoint@gmail.com
